

**SURVEY
BY HIGH SCHOOL
CLASS OF '59**

August 14, 2009

Dear BYH Classmates:

How have you been, and what have you been up to? I hope you and those you love are well, and that you feel that your life is "good."

It would be most exciting to see you all, get acquainted again, and find out what you have been doing. Unfortunately, I have some previously planned travel on September 4 and will have to miss the reunion. However, I know your other classmates will be eager to see and greet you, and pump you for all the nitty-gritty details of your life since you left dear old BYH.

We are including a survey document here and would greatly appreciate your filling it in, and bravely using your own name. We have tried to ask only positively oriented questions and not solicit the details of your disappointments, tragedies, and shameful moments, though I suspect we all have had our share of these.

After you complete the survey, please mail it to Gary Henderson, 94 Marrcrest North, Provo, Utah 84606.

Thank you very much, and ENJOY the reunion!
